RESEARCH

A graduate of Tourism Studies with a passion for developing scalable web applications and working across the full stack. I am looking to join forces to continue to grow my skill set while contributing to the positive outcome of making people "richer, smarter, and happier."

## Work History

JUNE. 2021 TO  
PRESENT

### Web Developer Intern

IVYARC

- Co-contributed to developing a single page e-commerce application.
- Develop user interfaces with modern JavaScript frameworks, HTML5, CSS3 and Tailwind CSS.
- Develop the backend of the application using Node.Js and MongoDB.
- Assist team with testing code in multiple browsers.
- Have worked with web debugging tools (Chrome Developer Console).
- Collaborate within an Agile team structure where they will assist with developing code using such technologies as: Tailwind Css, React.Js framework.
- Participated actively in weekly task demos where different tasks were assigned.
- Deployed both the frontend and backend of the application using Heroku and Netlify.

JUL. 2013 TO  
MAY 2021

### Desk Clerk [Housekeeping Dept]

*Eko Hotel And Suites, Victoria Island, Lagos*

- Managing over 40 incoming calls from different callers per day.
- Collection of all messages that are requested from the hotel guests including, requirement of spare blankets, baby-sitter services, refrigerator, flower arrangement or any other room service and disbursement of those information to floor supervisors for taking further actions.
- Directing all housekeeping employees, such as assigning them to their prescribed duties.
- Maintenance of various important records, registers, forms and formats to make easy availability and accessible for managers and supervisors of the property.

- Proper management of floor master keys and store keys.
